Young Leaders

The Ignite Awards have been created by our 17 Inspiring Young Leaders, aged between 14 and 19. This is a youth led event to recognise young people's achievements in Enfield.

Here are the Young Leaders of 2023

"The Ignite Awards was created to highlight the inspiring achievements of the young individuals in the borough of Enfield, the purpose of these awards are to encourage the next generation of youth to inspire, achieve, and believe in themselves, as well as to persevere through tough challenges they may face in their day to day lives. We continue to recognise the hard work of young people and are delighted to continue this journey of celebrating young leaders through future generations. We hope that these awarded individuals and groups are able to positively influence and ignite the flame of ambition and determination in others within the community.
